PROFESSIONAL EXPERIENCE

WordPress Developer

Vince Design Studio LLC – Denver, CO (Freelance)

Dec 2023 – Present

- Developed and launched 10+ fully responsive custom WordPress sites using Elementor, ACF, and Gutenberg blocks.
- Increased client website engagement by 30–50% through performance optimization and SEO implementation.
- Designed 13+ wireframes and prototypes in Figma, improving user navigation and brand consistency.
- Executed cross-browser testing via BrowserStack, ensuring 100% compatibility across devices.
- Enhanced page load speeds by 35%, reducing bounce rates and improving Core Web Vitals.
- Acquired 10+ clients via outbound marketing and referrals, managing all aspects from discovery to deployment.

WordPress Developer

Experience Design Studios – Remote

Feb 2023 – Nov 2023

- Developed enterprise-grade WordPress sites for clients including CVRX, BridgeBio, and Omega Therapeutics.
- Created custom themes and plugins with PHP, JS, ACF, and SASS, cutting revision cycles by 30%.
- Implemented Docker with WPVIP for CI/CD workflows, reducing deployment time by 40%.
- Led SEO implementation (meta tags, schema, titles), contributing to a 25% organic traffic boost.
- Maintained environments on WP Engine & FlyWheel, ensuring zero downtime during site launches.
- Launched 25+ HTML email campaigns using HubSpot, tested across platforms using Email on Acid.
- Provided L1/L2 support for 20+ live client websites, achieving a 95% first-response resolution rate.

WordPress Developer Intern

3:5 Creatives – Remote

Oct 2022 – Apr 2023

- Built 10+ mobile-optimized WordPress websites using Elementor and ACF within strict agency timelines.
- Developed custom Elementor widgets, increasing client eCommerce engagement by 18%.
- Managed staging, production, and QA processes on WP Engine, reducing deployment issues by 30%.
- Delivered custom animated email signatures and UX enhancements for client communication.

Wix Developer Intern

Child's Cup Full – Remote
